

AMAZE[®]

E N T E R T A I N M E N T

We are pleased to announce the consolidation of the Amaze Entertainment Brand.

After May 10, 2005 Amaze will no longer refer to our internal studios individually but will use the new Amaze Entertainment logo to represent all of the individuals, teams, experience and services of the company as a whole.

Our mission remains the same. Amaze Entertainment continues to be a world-class developer that produces exceptional games for the best publishers. We continue to focus on making high quality games - on time and on budget. We have discontinued the use of our studio names in order to reinforce the depth and breadth of our company's talent and experience, enabling our partners to better view Amaze as the sum of all our parts.

To find out more of what we have been up to, please visit our new Web site at www.amazeent.com. Please update your address books with the new email addresses.
